

New changes in the Engineering Career Center for Spring 2017

Welcome back! As you get settled back into your schoolwork, make sure you do not neglect your internship or job search if you have not secured something yet.

The ECC has new walk-in hours in effect this semester and will also be providing resume review drop-in sessions on Mondays and Fridays.

We will still schedule appointments for students outside of walk-in hours. You can request an appointment from the [Contact page on the ECC website](#)

For those of you who are new to UIC or have not taken advantage of the services offered by the Engineering Career Center (ECC), we can help you with your resume and cover letter, your search, interview prep, all the way up to negotiating a job offer and salary as you prepare to graduate.

UIC ECC - SPRING 2017
