# THIS WEEK
**Week of January 15th**

## UIC ENGINEERING
**ecc.uic.edu**

## CAREER CENTER
**Spring 2018 – Week 1**

# Welcome Back!
## Check out what happened in Fall 2017:

**Google Games:** UIC hosted the first campus edition of Google Games in September; a coding competition that over 270 UIC computer science students competed in. Top placing teams each won fun Google swag prizes.

**Exelon Pop-up:** New to 2017, the ECC now organizes employer "Pop-Ups" around campus for employers to recruit engineering students. Exelon visited us to build excitement for their presence at the UIC Engineering Career Fair in September.

**Unilever Visit:** ECC staff visited Unilever to help them build their co-op internship program; one of many employer visits the ECC conducted in 2017 to increase the employer pool that recruits from UIC.

**Groundbreaking Ceremony**: The Engineering Career Center staff showing their support for the new Chemical and Civil Engineering Innovation Building. It is scheduled to open Fall 2019. Check out the press release!
