

Employer Spotlight:

Design Group operates from over 40 global offices in the US providing Engineering and IT consulting to the world's leading companies through the efforts of over 1,400 engineering and technical specialists. Design Group professionals have direct industry experience with industrial automation, process engineering, regulatory compliance, and systems integration.

Design Group will be on campus the week of February 26th! Mechanical, Chemical, Electrical, and Computer Engineering students: visit with Design Group at their info session on Monday, February 26th from 5-6pm in ERF 1043. Enjoy pizza while learning about their Co-Op where you will be designing packaging lines, control panels, and/or learning PLC programming and HMI development. US Citizens and permanent residents only.

Can't make the info session on February 26th? Electrical and Computer Engineering students are encouraged to attend the Tech Career Fair on February 28th to chat with them about their full-time and internship roles in controls and automation. Design Group is accepting applications on UICcareers.com! Apply now! Job ID: #88123 and #88122.
