

THE ENGINEERING SPARK

February 21, 2022

Got Interviews? Prepare with the ECC's Interview Tips!

1. **Research the company!** Not just their website, but also google, glassdoor, and check them out on social media. Write down something you like that's unique to them.
2. **Prepare answers to practice questions!** Practicing answers to common interview questions will help you with feeling confident during your interview.
3. **Dress to impress!** Even if it's a virtual interview, you should dress up. See our website for more info on professional dress.
